

Best Airline Central and South Asia, Skytrax World Airline Awards 2012

Just 7 hours east of Europe is a vast and mysterious land, with a tradition of nomadic spirit dating back thousands of years. Air Astana continues to expand its network and offers passengers an ever increasing range of new and exiting destinations.

From our base in Kazakhstan our modern fleet operates to over 50 international and domestic routes to Eurasia and beyond. We take flying seriously, which is why we have become the first carrier from Russia, CIS and Eastern Europe to be awarded the prestigious 4 Star rating by Skytrax.

Whether its conducting business, visiting friends or relatives or for a hard earned vacation, Air Astana can take you where you want to go.
